Subject: Org Chart

Hey guys,

We've been getting a lot of requests for a org chart for Steve's teams so I went ahead and created one. I'm not sure what everyone's titles are and all that stuff, so please just send me over any edits/additions. Jamie, I forgot the names of the people on your team and I couldn't find them in moma. Franck, I left off all the google people who aren't actually reporting into you or steve - but I can add them in if you like.

Wow. We're getting big.

Thanks,
Maryrose
